

Understand your bill

Your bill explained

We want to make sure you are clear about what you are paying for, so we've designed our bill as straightforward as possible. This explains the different parts of your bill and how we've worked out what you need to pay us.

If you've registered your account, you can access your bill online, even after the move, using your account on any other device. You just need to **log in** to your account. If you haven't done so already, please **activate your online account** [here](#).

Clear and Comprehensive Usage BreakDown Display

BACK TO TOP 

Here you'll find everything you need to know about your electricity consumption for this bill. Please note that the government provides subsidies on your electricity bills.

Electricity meter number:

Every meter has a unique number that shows us which meter is measuring your consumption. This assures us that we are always sending you the right bill.

Meter reading:

This shows you the meter reading that we have based your bill on. If we haven't been able to take an actual reading, this may be an estimated figure based on your typical previous usage. In this case, you will be notified on your bill that it is an estimated reading.

Total units:

The number you see here shows how many units (in kWh) of electricity you've used since your last bill. We multiply this by the unit rate from your tariff to work out your consumption.

Date of meter reading:

This shows the date your meter was read, either automatically or by one of our technicians. If it's an estimated reading, the date shown will be the date we're basing it on.

Days of use:

Here you'll see how many days are included in this billing period. Usually, your bills will be issued month-by-month, but on some occasions, you may get a bill for a

longer or shorter period.

Total (before Including VAT):

This shows the total of your electricity service consumption charges without including VAT.

VAT of the service:

This shows the Value Added Tax (VAT) that you will pay on your electricity consumption charges. The VAT is applicable at a standard rate of 5%.

Total VAT:

This is the total VAT you have to pay and includes VAT on electricity consumption.

Infographic to Help you Review your Usage - Monthly Consumption Details

BACK TO TOP ↑

This shows a monthly breakdown of your average daily electricity usage over the year, and it shows your current consumption compared to the same period last year. Most customers consume much more during the summer months due to the constant need for air conditioning.

Snappy Messaging (your usage over time)

BACK TO TOP ↑

Similar to electricity consumption alerts, this section provides you with water consumption alerts. It provides you with alerts if your average consumption of water has

average consumption of water has changed in this billing period compared to the same period last year if your water consumption exceeds the ideal average or not and also shows you your average daily cost of water.

CONSUMPTION						
Government subsidy has reduced your water bill total by AED 791.71 Without this support your bill would have been AED 1,041.00						
Meter E0000000000000

TOTAL				AED 235.05	

Municipality Service Bill

BACK TO TOP 

Here you'll find everything you need to know about the municipality fees through a simple summary of your contract value, the annual charge to be paid, and the monthly instalment breakdown.

HOW MUNICIPALITY CHARGES ARE APPLIED

- ▶ We at TAQA Distribution collect municipal charges on behalf of The Department of Municipalities and Transport.
- ▶ **Charges amount to 5% of your rental contract value**, minimum AED 450. These are collected in return for rental contract registration and Tawtheeq. The charges are usually paid in 12 monthly instalments unless the contract specifies otherwise.
- ▶ We'll get in touch to ask you to renew your contract two months prior to the end of the contract period.
- ▶ **You should let the Department of Municipalities and Transport know right away if you agree with your landlord to renew your contract.**
- ▶ Municipal charge calculations are based on the full contract period. **If the contract terminates early**, please provide us with the contract termination certificate issued by your municipal branch and apply to us for account closure.

How Municipality Charges Are Applied

BACK TO TOP 

There are helpful contact details listed in the Customer Support section of your bill. If you wish to make an enquiry or a complaint about your rental relationship or question the amount of your annual municipality fees, contact Abu Dhabi Government Contact Centre on 800 555 or email tawtheeq@adm.abudhabi.ae. For complaints or more information about your monthly bills or if you wish to update your contact details, call us on 800 2332 or email contactcentre@taqadistribution.com anytime.
